SOURCE Rzeczpospolita, No 206, 1949.METALS INDUSTRY REORGANIZED

The metals industry was recently reorganized. Four central administrations and one independent board have been created, as follows: (1) Central Administration of the Machine Industry (Centralny Zarząd Przemysłu Maszynowego), (2) Central Administration of the Automotive Industry (Centralny Zarząd Przemysłu Motoryzacyjnego), (3) Central Administration of the Heavy Metals Industry (Centralny Zarząd Przemysłu Metalowego- Cieskiego), and (4) Central Administration of the Mass Production Industry (Centralny Zarząd Przemysłu Masowego).

The main offices of the first two administrations are located in Warsaw. The main offices of the third and fourth administrations are in Gliwice and Bytom, respectively.

The Independent Board of the Railway Rolling Stock and River Fleet Industries (Samodzielna Dyrekcja Przemysłu Taboru Kolejowego i Rzecznoego) has its main office in Poznan.

These changes were made to enable the metals industry, which expanded considerably during the last few years, to operate more efficiently.
